

**THE CITY OF SAN DIEGO
DEVELOPMENT SERVICES DEPARTMENT**

Date Of Notice: **July 17, 2002**

**PUBLIC NOTICE OF A
PROPOSED ENVIRONMENTAL IMPACT REPORT (EIR) ADDENDUM
Job Order Number 176021**

A draft Addendum has been prepared by the City of San Diego Land Development Review Division for the Point Loma Wastewater Treatment Plan Master Plan Environmental Impact Report (EIR). Written comments regarding the adequacy of this draft EIR Addendum must be received by the Land Development Review Division at the address below by **August 15, 2002**. A final environmental report incorporating public input will then be prepared for consideration by decision-making authorities.

SUBJECT: **Grit Processing Improvements** - City Council approval to allow for improvements to the grit collection and removal processes at the Point Loma Wastewater Treatment Plant. The project would replace the existing headworks building with an interim structure and a new facility, upgrade the existing odor removal system, and reconstruct the inactive south grit tanks and associated pumps, piping, and systems. The project was previously analyzed under EIR 94-0510. However, because project timelines have been extended, the EIR is updated by this document. The project site is located in a previously developed, existing industrial site at the E. W. Blom Point Loma Wastewater Treatment Plant, 1902 Gatchell Road (APN 532-520-0600) northwest of Cabrillo National Monument, in the Peninsula Community Planning Area, Council District 2. Applicant: City of San Diego Metropolitan Wastewater Department.

LDR No.42-0358 (Addendum to LDR 94-0510, SCH 94-101024)

COMMUNITY PLAN AREAS: Peninsula

COUNCIL DISTRICTS: 2 (Wear)

The Statement of Findings associated with the EIR has also been updated. The significant, unmitigated impacts to visual quality and paleontological resources remain, but have been reduced from the original EIR. The significant, mitigated impacts to traffic/parking and water quality have been eliminated. No new impacts have been identified. This recommended findings are based on the draft EIR Addendum conducted by the City. The draft document and supporting information may be reviewed, or purchased for the cost of reproduction, at the office of the Land Development Review Division, 1222 First Avenue, Fifth Floor, San Diego, CA 92101.
